ORGANIZATIONAL INSTRUCTIONS

BUILD UP, COURSE OF FAIR AND DISMANTLING PERIOD

IMPORTANT INFORMATION FOR EXHIBITORS AND STAND CONTRACTORS

GENERAL RULES

Vehicle entry to the grounds of the Exhibition Centre – use Gate No. 4. and No. 8 for vehicle entry trucks, cars, vans and vehicles requiring handling services. **Drivers are obliged to respect the instructions of the guards at the gate.** All vehicles must observe traffic signs on the grounds of the Exhibition Centre (in particular the ban on parking on indicated areas and in front of the entrances to exhibition halls) and leave the grounds of the Exhibition Centre every day by the end of opening hours at the latest. Any breach of this regulation will be punished by the imposition of a penalty of 5,000 CZK. Overnight parking of vehicles on the grounds is not permitted. The entry of vehicles into halls is prohibited. The entry of lorries to the exhibition grounds during the course of the trade fair is not permitted. When exiting the grounds, a copy of the list of registered items, confirmed by the guard on duty on entry to the grounds, must be submitted at the gate. At the request of the guard on duty at the gate the driver is, in the interests of protecting the property of TERINVEST, spol. s r.o., BVV Trade Fairs Brno a.s. and other exhibitors, obliged to allow the contents of the boot of his vehicle to be inspected. Any items discovered by the guard on duty in vehicles leaving the Exhibition Centre which are labelled as the property of the company BVV Trade Fairs Brno or TERINVEST, spol. s r.o., and which are not included on the list of items taken to the grounds of the Exhibition Centre and have not been confirmed by the guard on duty on entry to the Exhibition Centre, will be confiscated by the guard on duty. The same applies to exhibits and other materials taken out through the gates.

Escape routes must be kept clear. For safety reasons, assembled and dismantled material, packaging and exhibits must not block aisles between exhibition stands. Assembly work is permitted only in the exhibition halls. The production of items for assembly, surface painting, creating dust or otherwise disturbing other exhibitors is prohibited in exhibition halls, and will subject to a penalty.

Receptions and cocktail parties may only be held in exhibition stands during the course of the event, during the ordinary opening hours of the hall, i.e. to 05.30 p.m.

Acoustic advertisements and musical productions are permitted after previous order and arrangements made with TERINVEST, spol. s r.o. This applies on condition that they do not disturb neighbouring stands and are not louder than 85 dB at the edge of the stand. On open areas music presentation is allowed during the whole course of the event. If this

condition is not observed, TERINVEST, spol. s r.o. may order the production to be terminated. For purposes of the music production the hirer is then obliged, to ask the approval of the competent administrator of copyrights (OSA, INTERGRAM) – according to the law no. 121/2000 of the Digest, author's law, in the valid version.

Waste disposal. Use colour-coded containers located outside individual exhibition halls for the disposal of sorted waste generated during assembly or dismantling of your stands. You can obtain more information on waste disposal at the front desk of the halls.

The placement of advertisements on the grounds of the Exhibition Centre outside your own exhibition area is not permitted. **The mass distribution of printed advertising materials**, or their scattering onto the Exhibition Centre from hired aeroplanes or balloons, is not permitted without the prior agreement of the trade fair administration. The broadcasting of advertisements on the grounds of the Exhibition Centre using Bluetooth or BTS cell transmitters is likewise not permitted without the prior agreement of TERINVEST, spol. s r.o. You are authorised to promote your products and services on your own exhibition stand only. Any increased cleaning costs will be invoiced to the exhibitor. The use of means of advertising such as skateboards, roller skates, scooters, two-wheeled handcars and other means of motion (e.g. jumping boots, stilts) on the grounds of the Exhibition Centre is likewise not permitted.

Advertising panels, space and activities can be ordered using Catalogue of Marketing and Production Services or at a Business Department in hall F.

We recommend that you **hand in the keys to any areas you lock to the relevant hall gatehouse every day.** If you do not do so, and the outbreak of fire or a malfunction to equipment installed in the locked area is suspected, then you will be charged any damages arising from forced entry to this area.

The cleaning of stands outside opening hours may be performed only by contractual cleaning companies of TERINVEST, spol. s r.o. – Realization Division. We recommend that you **insure exhibits** (including packaging) against any possible damage or loss, or recommend individual stand security (see the section Services for exhibitors). The trade fair administration will not be held liable for any such damages.

SCHEDULE PREPARATION AND IMPLEMENTATION OF FAIR

The given deadlines for the sending of your orders must be observed! In the event of the delayed sending of orders, TERINVEST, spol. s.r.o. – Realization Division will be authorised to apply additional charges or to settle orders on a restricted basis in view of the actual situation, or to refuse orders altogether.

If these conditions are not observed, then the security deposit will be forfeited in full!

TRANSPORT, CUSTOMS AND HANDLING SERVICES ON THE BVV GROUNDS

The companies Kühne+Nagel and IMMIX have been appointed TERINVEST's contractual forwarding agents for this trade fair event. Exhibitors should contact these companies directly (not through TERINVEST, spol. s r.o.). You can find the necessary contact information in the section Additional Important Information in these instructions. These companies provide forwarding services for exhibitors, i.e. unloading and loading of exhibition materials, transportation to stands, the removal, storage and return of empty packaging, and assembly and dismantling work. The day on which large exhibits above 5 t, or exhibits requiring the use of mechanical devices and placed in halls, can be brought in is 13. 3. 2025. This deadline must be observed otherwise can not be guaranteed bringing in of large exhibits to halls without any problems. This deadline must be observed other-wise it is subject to a penalty. The last possible bringing in of all exhibits is on 16. 3. 2025. Exhibitors are not allowed to use their own mechanical equipment for loading and unloading or for assembly and dismantling work! There will be a ramp of a load-bearing capacity max. 15 t for loading and unloading and handling with exhibits. The ramp is placed on open area Z behind hall Z.

The removal and storage of empty packaging and its subsequent return should be ordered from one of the forwarding companies given above. Empty packaging, marked in accordance with forwarding company instructions, will be stored in the packaging storage hall. Its return will commence an hour after the official closing of the event. The storage of assembly tools, exhibition elements and parts of exhibits in the storage hall can be ordered through the forwarding companies. Unmarked packaging and unwanted used material will be taken to a dump for disposal after 09.00 p.m. Unmarked exhibits left outside the rented exhibition area will be taken to the storage hall, and sold or disposed of after a period of 15 days has elapsed. Any costs incurred will be charged to the exhibitor. The storage of packaging and installation material behind exhibition stands is prohibited. Transportation and handling services must be ordered in advance. The given forwarding companies can also mediate customs services for you. All consignments must be labelled with the name of the exhibiting company, its location on the grounds, and the name of the event to which they are being sent. The recipient of such consignments are neither TERINVEST, spol. s r.o. nor the BVV Trade Fairs Brno. TERINVEST, spol. s r.o. will not be held responsible for any consequences resulting from the incorrect addressing of consignments or any violation of regulations relating to the importing of goods.

THE CONSTRUCTION OF EXHIBITION STANDS

The official contractor for the construction of exhibition stands for this event is TERINVEST, spol. s r.o. – Realisation Division, Mrs. Jana Soldatová, phone: +420 246 052 466, +420 724 778 814, e-mail: soldatova@terinvest-realizace.cz, which can offer you a complete exhibition art service, i.e.:

- project quotation, including price calculation
- creative preparation of the project – creative spatial design of your exhibition stand, including graphic design and electrical connection
- comprehensive project implementation
- exhibition stands from the OCTANORM, TRIO, MAXIMA and atypical exhibition stands

The exhibition area will not be handed over to the exhibitor unless the invoice for rental of the area has been paid! A proof of the payment must be submitted on request.

The approval of exhibition stand project documentation All exhibitors are obliged to send a fully completed request for stand approval. Stand approval is free of charge within the stipulated deadline (given in „DEADLINES“). A charge is made for approval after the valid deadline. A confirmed request for stand approval is essential to the take-over of the given exhibition area by the exhibitor or assembly company. **You can find the necessary form at amper.cz/en.html** or in printed form or as a part of a Catalogue of Technical Services. If the construction of your exhibition stand is not performed by TERINVEST, spol. s r.o. – Realisation Division, it is essential that you:

- submit a technical plan of your exhibition stand for approval by the BVV Trade Fairs Brno, Business and Technical Department within the given deadline (see SCHEDULE), Mr. Bednář, Mr. Pěček, e-mail: projekty@bvv.cz
- to observe all the provisions of the General Conditions for Participation for the event and the Technical Safety Regulations (see the Catalogue of technical services)
- At the take over of the exhibition area, the following documents are required:
 - Confirmed request for exhibition stand approval
 - Revision of electrical installation
 - On request it is necessary to present a proof of payment for the ordered services provided by TERINVEST, spol. s r.o.
- these services will not be available unless they are paid before the beginning of the assembly

In case of violation of the General Conditions for Participation and the Technical Safety Regulations incl. Fire regulations, water mains, electricity to the stand will not be provided; or the entry to the stand will be prevented by a screen. Exhibition stands of more than one storey must also fulfill special fire prevention conditions. Such stands must be submitted for the approval of the Trade Fairs fire prevention specialist, Design and Inspection Department, Mr. Polách, e-mail: jpalach@bvv.cz, at the design or study stage. During the approval of exhibition stands exhibitors are obliged to allow the members of the approval committee to inspect their exhibition stands. The exhibitor engages to settle the charge for his stand approval on presenting it after the date given in the Organizational Instructions of the AMPER 2025 Trade Fair (see the schedule).
